**Business/Wholesaler Agreement**

Zundt Design provides a Dealer Program whereby a retail business with a location that sells items related to sewing and meets certain requirements may purchase Zundt Products at a wholesale price for retail sale.

The requirements to qualify and maintain good standing for the Zundt Dealer Program Include:

- > Complete and mail or FAX the application form
- > Furnish a copy of the tax exempt certificate
- > Purchase a minimum of \$500.00 wholesale price for the initial order
- > Purchase a minimum of \$250.00 wholesale price during the first 12 month period
- > Purchase a minimum of \$750.00 wholesale price for each 12 month period thereafter
- > Minimum order amount will be \$100.00
- > Shipping prices will be based on shipping method requested. If no special shipping method is requested the shipping price is USD 15.00
- > Pay for all purchases with American Express, Master Card or Visa at time of order
- > Websites may not be used to resell Zundt Design products

Zundt will assign each qualified dealer an access code that will allow the dealer to open a special location on the Zundt website. This location is for the dealer to use when ordering Zundt Products. Products that are available to dealers and the dealer prices will be shown on this website. The normal wholesale price is 50% less than the retail price shown on the website. Specials and promotional items may have a smaller discount.

Zundt Cd's for dealers will be packaged in a sealed plastic case with thumbnail photos of the designs on the back of the case. Dealers may order any combination of Zundt Cd's and products. Zundt Design or dealer may discontinue this DEALER PROGRAM at any time by giving the other a 30 days written notice.

All creative works of Zundt Design and its associated companies are protected under copyright laws and international treaties. No duplication of electronic files or media is permitted under any circumstances.

Do not apply for a wholesale account if you do not understand or you disagree with any part or statement contained in this Agreement
